

9454 Dual Powdered Cappuccino Machine with Dual 5lb Hoppers

9456 Triple Powdered Cappuccino Machine with Triple 3lb Hoppers

Now you can automatically serve delicious whipped and frothed cups of cappuccino, espresso, hot chocolate or a variety of hot or cold post-mix powdered beverages that keep customers coming back for more. Bloomfield's automatic post-mix dispensers have individual whipping systems for each product hopper to allow product variety without the possibility of flavor "cross-over."

Features

- Serve a **large variety of post-mix products** including cappuccino, coffee flavored drinks, hot or cold cider and hot chocolate.
- **Each dispensing outlet has its own mixing and whipping system** for flavor purity and delicious frothy topping on hot drinks.
- For **continuous flow operation**, just hold the selection button until the proper drink size is delivered.
- **Beverage outlets** make dispensing effortless while eliminating splatter.
- A simple flip of the switch converts the dispenser water supply from **manual fill to automatic fill**.
- **Slim, compact design** is only 9 3/4" wide for those tight counter spaces.
- **Illuminated front panel and beverage selector** provides merchandising appeal.
- **Simplified plumbing and tubing** for easy tank draining and cleaning.
- Easily accessible **water flow adjustment** for each outlet is located in the front of the unit.

Model 9454

Model 9456

- **Vacuum system** helps keep product dry when in humid environments.
- **Access door** has dual magnetic latches for easy and quick refilling of the hoppers.
- **Liquid level sensor** performs consistently with low or fluctuating water pressures.
- Convenient **tank heater** on/off switches provides energy savings options.
- Large capacity one-piece drawn **stainless steel water tank** has a superior design for extended life.
- Exclusive design provides **easy access to components** for quick efficient service.
- **Removable drip tray** for easy cleaning.
- High quality easy to clean **stainless steel construction**.
